

During July and August 2009, my son Ian, my granddaughter Eliana and myself attended the EDEAQ Language School in Arequipa (Peru) and took classes in Spanish. The teachers are very professional, always prepared, and also knowledgeable about the rich culture and history of Peru.

The directors of the school (Mrs. Lourdes [Lula] Diaz Oviedo and her Swiss husband) are excellent and did all possible to make us feel welcome and comfortable during our visit. Our home stay accommodation (Mrs. Gladys and family) was excellent as well.

It was a delightful and valuable three weeks. Everyone made considerable progress learning Spanish while enjoying the diversity of the Peruvian culture, excellent Arequipian climate and food.
