

Join us for an

# Environmental Fair

## An Environmental Volunteering Event

Come out and talk to representatives of environmental organizations from the region about opportunities to get engaged with their activities. You will learn about projects that offer education and outreach, volunteering, and citizen science opportunities.

The Wayne G Sanborn Activity Center  
815 South Alabama Avenue, DeLand

7-9 pm, Tuesday, March 31.

Environmental groups at the fair will include:

Blue Spring Ambassadors  
Friends of Lyonia Environmental Center  
Gopher Tracker  
Green Volusia  
Halifax River Audubon  
Jay Watch  
League of Women Voters of Volusia County  
Marine Discovery Center  
Marine Science Center  
Manatee Protection Program  
St John's River Water Management District  
University of Florida Institute of Food and Agricultural Sciences (UF/IFAS)  
West Volusia Audubon Society

The event is open to the general public and includes a free dessert reception.

The Environmental Fair is sponsored by Stetson University.
