## Senior Java Developer

*Technically sophisticated professional with over 18 years with continuing education and certifications. Special skills in backend, frontend and algorithms. Experience in banking, insurance, industry, social insurance.*

---

## PROFESSIONAL EXPERIENCE

**Java Developer (Contracting Project)** (1/2019 to Present) Löwenfels Partner AG, Lucerne/Glattpark, Switzerland

*Technical Scope: Java 8, IntelliJ, Git, Git Bash, Gerrit, SQL, Talend, Confluence, JIRA, Oracle, DB2, DOPIX, Eclipse, XSD, XJB, Mockito, JUnit 4, TDD, DataGrip, Slack, Ant, Spring XML, Scrum, Agile, Notepad++, VPN, Microsoft Remote Desktop, SOAP UI, Windows 10*

Oversee and maintain an application for social insurances with a size of 800.000 lines of code, while writing unit/integration tests and developing technical documentation in Confluence.

### Roles:

- Developer
- Code-Reviewer
- Data migration by Talend (ETL)
- Identifier of problematic Git commits (Sprintfix)
- Support

### Key Achievements:

- Honored with selecting team representative as an expert for testing code quality.
- Selected code reviewer for DOPIX

**Java Developer (Contracting Project)** (1/2018 to 5/2018) Ruf Telematik AG, Schlieren, Switzerland

*Technical Scope: Java 6, SVN, Kanban, Bash, Grep, Ant, OSGi, Snail SVN, Atom, Apache Karaf, Eclipse, Office 365, Slack, Log4j, Linux, Siemens Circuit, Windows 10*

Ensured the maintenance of an acoustic application for trains, including refactoring and commenting of code parts and building event-driven architecture.

### Key Achievements:

- Credited with fixing 4 year old bugs in the application.

**JavaFX Developer (Contracting Project)** (7/2017 to 9/2017) X-Rite Europe GmbH, Regensdorf, Switzerland

*Technical Scope: JavaFX 8, FXML, JavaFX Scene Builder, Java 8, SQL Server 2016, SQL Server Management Studio (SSMS) 17.2, Hibernate 5.x, JPA 2.x, Maven 3, JUnit, Clean Code, JDBC, Office 365, Windows 10*

Developed an internal application for maintenance of USB based devices in the workshop. Used Hibernate tools for database prototyping, while improving the internal structure of a code.

### Key Achievements:

- Recognized for introducing modern ways of development (like Maven).

**JEE Lead & Performance Consultant (Contracting Project)** (2/2017 to 3/2017) Julius Bär AG, Zürich, Switzerland

...Continued...

# Bojan Antonović

---

Page Two

*Technical Scope: Java 7, JBoss EAP 6.4/Wildfly, EJB, MDB, JMS, Timer, CDI, Oracle, Dynatrace, Linux, Bash*

Conducted JEE and performance analysis of a legacy application, while providing consultancy to application's maintainer and developer.

## Key Achievements:

- Conducted performance and architectural analysis with key developers.
- Suggested developer to duplicate the infrastructure (adapt just 3 parameters) instead of rewriting complex code.

## Senior Java Developer (Contracting Project) (5/2015 to 12/2015)

MediData AG, Root D4, Switzerland

*Technical Scope: Java 7, XML, JAXB, REST, JAX-RS, Glassfish 4.1, Netbeans 8.2, Mockito, TestComplete, SOAP UI, Robot Framework, OSGi, JBoss Fuse 6.2, Jenkins/Nexus-Tasks, CI/CD, Swagger, Clean Code, Windows 7*

Oversaw the modularization of a legacy servlet based application to REST micro services, changing technology from REST to OSGi based on JBoss Fuse 6.2.

*Additional experience as **Senior Java and Web Developer** (3/2007 to 3/2015) at Tata Consultancy Services, Credit, AXA, and Osys AG, as **Analytician, Algorithmician** (10/2006 to 12/2006) at CSC AG, as **Java and Web Developer** (4/2005 to 7/2006) at innoQ GmbH, as **Java Backend Developer** (3/2004 to 5/2004) at Java Backend Developer*

---

## EDUCATION AND CREDENTIALS

**Bachelor of Computer Science | Diploma Studies in Computer Science, Minor in Operations Research**

ETH (The Elite University for STEM Studies), Zürich, Switzerland

### Technical Certifications

Oracle Certified Professional, Java SE 11 Developer, 2020

Microsoft MTA, Introduction to Programming Using JavaScript, 2018

Oracle Certified Expert, Java EE 6 Enterprise JavaBeans Developer, 2016

Oracle Database SQL Certified Expert, 2015

Sun Certified Programmer Version 6, 2010

Sun Certified Web Component Developer 5, 2009

Sun Certified Java Programmer 1.4, 2007

### Professional Development

DEV273x: Introduction to TypeScript 2, 2018

### Projects

SMOOD Project (Single and Multiple Objective Optimization and Decidability; in Java 14)

### Technical Proficiencies

Java 14, IntelliJ, Git, Gerrit, Slack, Eclipse, Maven, Clean Code, Refactoring, SQL, HTML, CSS, JavaScript, TypeScript, JSF, JSP, Servlet, EJB, JMS, Bash, JavaFX, Hibernate, JPA, Multi Threading, MDA and Windows and Mac OS X.

### Languages

German (Native), English (Professional), French (Basic Oral and Written)

### Citizenship

Switzerland
